* June 6th is National Fishing Day. Tingley Beach will host a huge Free Fishing Clinic with fun discovery stations just for kids. June 6th is the 1st Saturday in June. There will not be a Clinic on the 2nd Saturday of June.

Meet us at the event tent located on the grass area, just south of the Train Station. Learn fishing techniques from New Mexico Trout and BioPark Fishing Guide volunteers. Equipment and supplies are available for use during the clinic free of charge on a first-come, first-served basis.

No fees or advanced registration are required
